AURES

Convenient
AND PEACEFUL

Located at the northern entrance of Manosque, between the historic town center and the Mont d'Or, Domaine des Aures is the newest addition to the Bellevue residential district. It offers quality, well-planned housing surrounded by green spaces, cycling paths and pedestrian walkways... Bellevue has been designed to offer young professionals and families a peaceful and convenient living environment, just a two-minute walk* from schools and the Forum district's shops. The direct proximity of the "departmentale 4096", the main axis that links Aix-en-Provence to Sisteron, makes it easy to commute to other towns of the region, as well as to the Cadarache and Aix-en-Provence business centers, especially as the A51 highway is connected to it and only 10 minutes away.
